

**USAID**  
FROM THE AMERICAN PEOPLE

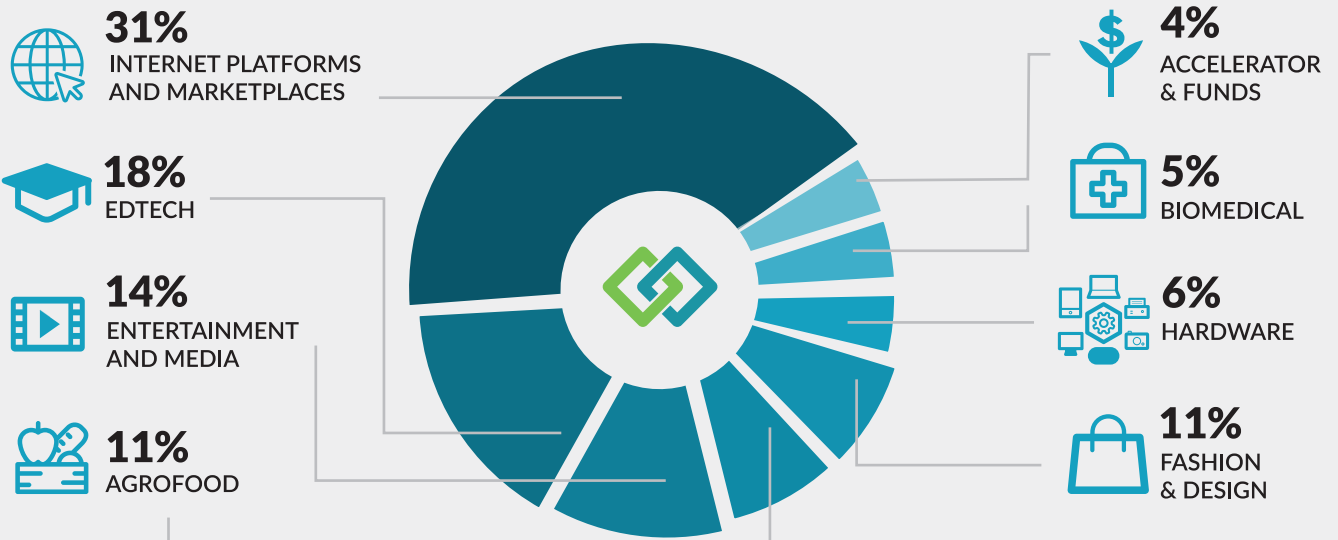

**Berytech**  
The Ecosystem  
for Entrepreneurs

In April 2015, USAID launched the Middle East and North Africa Investment Initiative (MENA II) in Lebanon through Berytech Foundation, a Lebanese NGO that supports startups, entrepreneurship and business incubation. The foundation created a fully owned subsidiary, **IM Capital**, as the investment vehicle implementing the program.

IM Capital provides three investment components:

**INVESTMENTS BY SECTOR**

IM Capital contributed to the development of the Lebanese ecosystem by launching:

First seed startup accelerator
