

IM Ventures & Trade and Investment Facilitation project (TIF) are introducing the first Renewable Energy (RE) fund SoLR&, with a size up to \$20M to support companies in the commercial and industrial (C&I) sector in Lebanon shift to renewable and efficient energy solutions.

The fund will allow businesses to save expenses, maintain operations, sustain jobs and have a strong environmental impact by boosting renewable energy generation and reducing carbon emissions, with less dependence on fuel cost and availability.

**Sectors of focus:** Commercial & Industries (C&I) – Sector agnostic

**Selection Criteria** (*Interested C&Is to comply with the below selection criteria (75% compliance minimum)*)

- US\$200k < financing needed < US\$2M
- Savings > 30% of current energy cost
- Payback period < 5 years
- Have a recent / ongoing energy audit in place, and offers from qualified RE providers
- Turnover > US\$500k
- Profitable business (Net profit > 0)
- Have at least 3 years of reliable audited financial accounts reflecting the real financial situation
- Number of employees > 15 FTE (full time equivalent)

|                             |  |
|-----------------------------|--|
| <b>Financing Period</b>     | 5 years, with a prepayment option at year 3 (with discount on the remaining lease amounts)   |
| <b>Financing instrument</b> | Financing lease (Hire Purchase) that will enable immediate positive cash flow and savings on energy costs from day 1, in addition to insurance, operations and maintenance (O&M) |
| <b>Upfront fees</b>         | None   |
| <b>Asset ownership</b>      | Ownership transferred to beneficiary at the end of the financing lease term  |
| <b>Collateral</b>           | RE equipment - Other securities might be considered on a case-by-case basis  |
